Since Colonial Days ...

America has risen to a position of tremendous wealth and power. The Fourth of July is celebrated as the birth of our nation....as the birth of freedom and liberty 168 years ago. And now Independence Day takes on a deeper meaning for every American. For our boys are fighting and dying in almost every part of the world—fighting for our right to—the entire world's right to a free way of life. And it is the duty of every one of us at home to back up those boysby working harder and doing more—by
